

September 2020

Dear Parent/Carer

## **Year 9 HPV Immunisations – next Thursday 24th September**

Your child missed their HPV immunisation last academic year due to COVID 19 restrictions. The immunisation team are coming into school **next Thursday 24th September** to carry out the HPV immunisations for **all Year 9** students.

The consent forms for these immunisations were collected last academic year.

The immunisation session will be held in PE2 which is within the Year 9 bubble area. Students will be called for during the day in groups of no more than 6.

**All students must wear a face covering.** The face covering must be a plain colour covering made from a material that is comfortable and breathable, such as cotton. Bandanas, scarves or face masks with lettering and logos should not be worn. Face coverings must be worn appropriately. Students must bring a clear plastic bag to place the face covering in, when it is not being worn.

It is recommended that students wear a short-sleeved school shirt for their injections where possible. If your child only has long-sleeved shirts, please ask them to wear a plain tee-shirt or vest underneath their shirt. This will enable the nurses to administer the injection to the top of the arm.

If you have any concerns regarding these immunisations, the North Warwickshire Immunisation and Vaccination Team can be contacted on 02476 321550

Yours sincerely

Mrs Domigan  
Assistant Headteacher

(AU-AA) Year 9 HPV Immunisations – next Thursday 24th September - September 2020
