

CHRISTMAS BIKEABILITY LEVEL 2 COURSES

With Christmas approaching NW Active are delighted to offer children the opportunity to complete their Bikeability Level 2 accreditation.

Bikeability Level 2 prepares attendees for cycling on the in live traffic environments for short journeys such as from home to school and will take place from The Pingles Athletics Stadium.

Children must be able to cycle independently and it is strongly recommended that children have completed the Level 1 course and before attempting Level 2 and as the course is delivered outside will need to be dressed appropriately in warm, weather proof clothing with gloves recommended.

Our fully qualified and DBS checked Bikeability Instructors provide a welcoming and supportive environment to nurture cyclists to develop and feel confident when cycling.
