

## Free Music Groups & Ensembles for Students Across Warwickshire

After over a year of not being able to make music together, as we emerge from the effects of the global pandemic to re-ignite our group music making activities Warwickshire Music is pleased to announce that its **area and county level music groups, bands and orchestras will begin again in September and will be free for all students in the 2021-2022 academic year.**

### What's on offer?

A wide range of Bands, Orchestras, Choirs, Guitar and Steel Pan Groups to meet the ability levels of all students across Warwickshire led by our world class team of Warwickshire Music teachers.

A list of all the music groups and ensembles available is included in the following pages.

### Playing regularly in a music group:

- ▶ Enhances progress in music lessons
- ▶ Improves mental health and well-being
- ▶ Develops team and organisation skills
- ▶ Build self-confidence, resilience, social and interpersonal skills
- ▶ Boost educational attainment

Above all, making music with others is great fun!

### Concerts and Events Programme 2021-2022

Sharing music making with others is so important. Through the year we will be organising a range of concerts and performance events across Warwickshire to enable students to share and celebrate their musical achievements with families and friends.

### Sign up now!

To join a group simply click [here](https://www.warwickshiremusic.org/join-a-group) to register, or go to:  
[www.warwickshiremusic.org/join-a-group](https://www.warwickshiremusic.org/join-a-group) for more information.

**FREE  
GROUPS**
