PARENTS/CARERS DRIVING ON TO THE SCHOOL SITE

Please can we ask for your support in protecting the safety of our students and staff by not driving onto the School site unless your child has medical needs which you have informed the School about or you have prior permission from the School to do so. Parents and carers who have permission to drive onto the site to collect their child on an ongoing basis have been issued with a permit. Please contact Student Services if you wish to enquire about applying for a permit.

Thank you, in anticipation, of your support.

RSHE PARENT/CARER CONSULTATION RESULTS

In the summer term, parents/carers were asked to take part in our consultation on the new RSHE curriculum. Thank you to the parents/carers who took the time to complete the questionnaire on this.

You can see the results of the consultation and answers to all of the questions asked by parents/carers, on the school website. Please go to Curriculum, CPSHE and the original consultation video and the results can be found there.

YEAR 11

MOCK RESULTS DAY

During this Wednesday's C&PSHEE lesson, Year 11 students took part in a 'mock results day' which involved them collecting their grades from the recent trial exams from the Conference Room in our Sixth Form Centre, in the same way as they'll collect their actual GCSE results next August. Students then completed the attached reflections sheet, which allowed them to reflect upon their preparation for these exams, what went well and 'even better ifs', along with what they need to do differently going forward. Please ask your son or daughter to share their completed version of this sheet with you so that you can start a conversation with them about their preparations for their exams over the next two terms.

Thank you for your support with this.
