## OUR DOOR IS ALWAYS OPEN

We value every young person we work with, and our door will always be open for young people that need immediate support. This could be anything from finding accommodation to a life-threatening emergency. If you ever find yourself in a situation like this, please contact us using the information on the back page.

We also offer alternative provision for any young people that may struggle within a mainstream school or who are not in education or employment. We can help young people achieve the following qualifications:

- Arts Award qualification in Levels 1, 2 & 3 (accredited by Trinity College London)
- Sports Leadership Award Level 1
- ASDAN Awards

We are a provider for the Warwickshire County Council Holiday Activity and Food (HAF) programme for ages 8-16. During the school holidays we provide activities and food for children and young people with a HAF code.
