

# **Important points to remember when planning**

Work out a schedule of when you are going to revise:

- ❖ Make a list of catch up and revision sessions
- ❖ Complete a revision timetable – make sure you include time for fun activities as well as work!
- ❖ Blank revision timetables can be collected from the Learning Mentor or printed from our website.
- ❖ Prioritise the key topics or subjects that you find most difficult
- ❖ Work on a small number of topics at a time – decide in advance what work you are going to cover in a revision session.
