1. Aims

This policy aims to:

- Set out our approach to requiring a uniform that is of reasonable cost and offers the best value for money for parents and carers in line with government statutory requirements
- Explain how we will avoid discrimination in line with our legal duties under the Equality Act 2010
- Clarify our expectations for school uniform

2. Our school's legal duties under the Equality Act 2010

The Equality Act 2010 prohibits discrimination against an individual based on the protected characteristics, which include sex, race, religion or belief, and gender reassignment.

To avoid discrimination, our school will:

- Avoid listing uniform items based on sex, to give all pupils the opportunity to wear the uniform they feel most comfortable in or that most reflects their self-identified gender
- Make sure that our uniform broadly costs the same for all pupils
- Allow all pupils to have long hair (though we reserve the right to ask for this to be tied back)
- Allow all pupils to style their hair in the way that is appropriate for school in line with school expectations yet makes them feel comfortable
- Allow pupils to wear headscarves and other religious or cultural symbols in line with our agreed expectations
- Allow for adaptations to our policy on the grounds of equality by asking pupils or their parents/carers to get in touch with Mr Emery, Behaviour and Attendance Manager, who can answer questions about the policy and respond to any requests

3. Limiting the cost of school uniform

Our school has a duty to make sure that the uniform we require is affordable and in line with statutory guidance from the Department for Education on the cost of school uniform.

<https://www.gov.uk/government/publications/school-uniform/school-uniforms>

We understand that items with distinctive characteristics (such as branded items, or items that have to have a school logo or a unique fabric/colour/design) cannot be purchased from a wide range of retailers and that requiring many such items limits parents'/carers' ability to 'shop around' for a low price.

We will make sure our uniform:

- Is available at a reasonable cost
- Provides the best value for money for parents/carers

We will do this by:

- Carefully considering whether any items with distinctive characteristics are necessary
- Limiting branded items to a maximum of four in line with government statutory requirements
- Considering cheaper alternatives to school-branded items
- Keeping the number of optional branded items to a minimum, so that the school's uniform can act as a social leveler
- Avoiding different uniform requirements for different year groups

- Avoiding different uniform requirements for extra-curricular activities
- Making sure that arrangements are in place for parents/carers to easily and sensitively acquire second-hand uniform items
- Avoiding frequent changes to uniform specifications and minimising the financial impact on parents/carers of any changes
- Consulting with parents/carers and pupils on any proposed significant changes to the Uniform Policy and carefully considering any complaints about the policy

4. Expectations for school uniform

4.1 Our school's uniform

School Uniform, Jewellery, Make-Up and Hairstyles Expectations for 2026-27

Higham Lane School is first and foremost, a place of learning. We have a proud tradition and our distinctive uniform is part of that. A uniform not only promotes a sense of belonging and pride; a uniform can be used to foster a great school spirit, to be a leveller within society where everyone feels included and belongs because of the shared identity a uniform brings.

We appreciate that cost of uniform and equipment is a challenge for families therefore, following government statutory guidance, we have a limit of four branded items:
